

Count on GSA for Total Emergency/ Disaster Support Solutions

Full Support for Emergency Response and Recovery

GSA provides comprehensive emergency support, when and where it's needed, to federal agencies, states and local entities. Whether in preparation of, response to or recovery from emergencies and natural disasters, GSA has in place the resources, services and supplies to provide total solutions for all emergency and disaster support needs. This includes establishing protection, restoration and sustainment of telecommunications, under Emergency Support Function (ESF) #2, as well as logistics management and resource support and replenishment under ESF #7.

GSA is committed and stands ready with a host of offerings to support and assist our partners and customers — before, during and after a disaster or emergency event:

- Various disciplines throughout the procurement process
- Established BPAs/contingency contracts
- Placing orders from GSA Global Supply™ depots
- 24-hour hotline
- Disposal of excess personal property
- Procurement of transportation services
- Securing emergency lodging
- Obtaining vehicles for short-term use
- Obtaining ground transportation, such as bus, shuttle or charter services
- Restoration and provisioning of critical telecommunications capabilities

- State/Local Disaster Recovery Purchasing program
- Leasing emergency office, warehouse or other support space
- Providing architectural and engineering services
- Access to environmental mitigation services
- Structural emergency response team
- Land acquisitions

Highlights of solutions GSA provided during the past year:

In FY2011, more than \$74.6 million worth of supplies and services were procured to support the Federal Emergency Management Agency (FEMA). This included:

- 1.3 million bottles of water
- 685,000 blankets
- 200,000 tarps
- 500 hygiene kits
- 106 medical cots
- Two generators (1500 KW each) used as backup power to support to FEMA HQ

Travel and Transportation support included:

- \$687,000 (5,188 nights) in emergency lodging
- \$29 million in emergency transportation services

GSA's Office of Emergency Response and Recovery is dedicated to the planning and coordination of disaster mitigation, preparedness, responses and recovery against natural or man-made incidents.

We have a network of regional emergency coordinators across the country to support your emergency and disaster support needs.
